.DE Die umliegenden Berge, eine moderate touristische Infrastruktur sowie das saubere, klare Wasser machen den Idrosee (Lago d'Idro) zu einem Ort für einen entspannten Outdoor-Urlaub. Im Sommer steigt die Wassertemperatur auf über 23°C. Neben zahlreichen Möglichkeiten für alpine Aktivitäten bietet die Region auch gute Bedingungen für den Wassersport*. So ist der Idrosee einer der bekanntesten Gewässer Norditaliens zum Kite- und Windsurfen. Durch die geographische Lage entsteht täglich ein thermischer Südwind, ähnlich dem Wind am Gardasee. Surfen kann jeder lernen, auch du! Die Kurszeiten werden individuell vereinbart und ständige Betreuung gewährleistet Sicherheit sowie raschen Erfolg.

.IT Le montagne circostanti, le moderate infrastrutture turistiche e un'acqua chiara e limpida fanno del Lago d'Idro (Eridio) una meta di relax e benessere. In estate, la temperatura dell'acqua è di più di 23 gradi. La zona offre le condizioni adatte per vari sport acquatici, oltre che per gli sport di montagna*. Il Lago d'Idro è uno dei laghi più famosi del Nord Italia per il kite- e windsurf. Grazie alla sua particolare posizione geografica, ogni giorno si forma un vento termale proveniente da sud, simile a quello che si può trovare sul Lago di Garda. Tutti possono imparare il windsurf, anche tu! Una costante supervisione durante le lezioni individuali ti garantirà sicurezza e un successo immediato.

.NL De omliggende Bergen, een gematigde toeristische infrastructuur en schoon en helder water maken het Idromeer (Lago d'Idro) tot een bestemming voor een ontspannende outdoor-vakantie. In de zomer is de watertemperatuur boven de 23°C. Buiten de verscheidene mogelijkheden voor bergsporten biedt het gebied goede condities voor watersporten*. Het Idromeer behoort tot de bekendste meren voor kite- en windsurfen in Noord-Italië. Vanwege de geografische ligging bouwt een zuidelijke, thermische wind dagelijks op, vergelijkbaar met de wind aan het Gardameer. Iedereen kan leren windsurfen, dus jij ook! Op het individu afgestemde lessen en voortdurende begeleiding garanderen veiligheid en snel succes.

.EN The surrounding mountains, a moderate touristic infrastructure as well as clean and clear water are making Lake Idro (Lago d'Idro) a place for relaxing outdoor holidays. In summer the water temperature exceeds 23°C. Along with various possibilities for mountain sports the region offers good conditions for water sports*. Lake Idro belongs to the most famous lakes for kite- and windsurfing in Northern Italy. Due to the geographical location, a southern thermal wind builds up daily, similar to the wind on Lake Garda. Anyone can learn to surf, you too! Lesson time is arranged individually and constant supervision guarantees safety and rapid success.
